

# FIRMING SERUM

*The Black Gold Collection  
with Blackberry Leaf & Nettles*

## SOOTHE & SOFTEN

### FOR NORMAL/OILY + BLEMISH PRONE

A luxurious age defense serum crafted with sensory herbs shown to support calm skin & diminish the signs of wrinkles, restoring a celebrity-style glow. Best for aging & lackluster skin.

**Sea Buckthorn** – Nearly 200 years A.C. at a time when Alexander the Great and his warriors suffered exhaustion, they noticed their horses eating berries and recovering. They too ate the sea buckthorn berries and regained their strength. The word for Sea buckthorn in Latin is hippophae which means “the bright horse.” Today, we recognize sea buckthorn as one of the strongest known antioxidants rich in vitamins A, C, E, beta carotene, polyphenol, selenium and more to help protect your skin from damage and promote fast rejuvenation.

**Blackberry Leaf** – Also known as bramble, has been discovered by researchers to have many origins from adorning beautiful English hedges, to Ancient Greek medicine, and some believe it may have been the burning bush God spoke through. Today we revel in the benefits of the blackberry leaf for its ability to help prevent the formation of wrinkles due to a matrix of inhibitors. When properly extracted, these potent benefits can help rejuvenate aging skin.

**Nettle** – Recorded in use dating back to the Bronze Age and in traditional folk medicine. Known for its natural astringent properties, this mineral rich wild herb helps tighten skin, balance oil production, and promote a rejuvenated healing process.

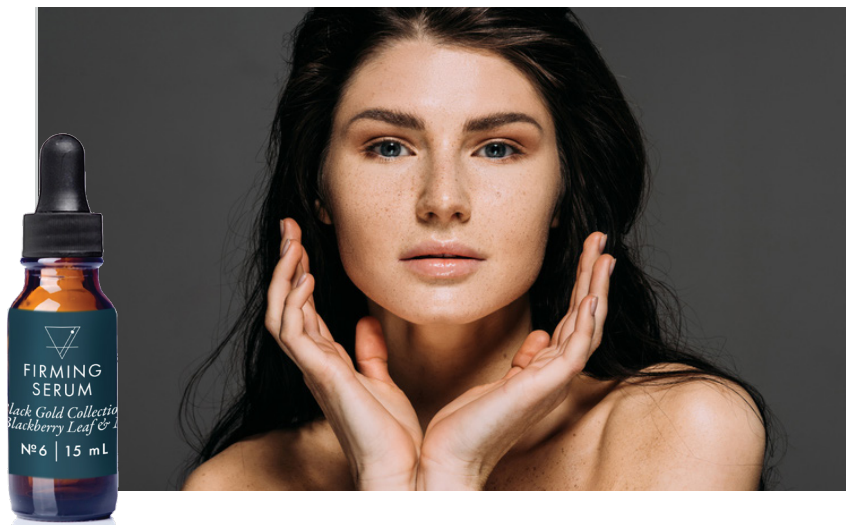

#### KEY INGREDIENTS:

- Sea Buckthorn
- Blackberry Leaf
- Nettles

#### BENEFITS:

- Firming
- Accelerates rejuvenation
- Softens fine lines & wrinkles
- Restores clearer, smoother looking skin
