

COLD PRESSED GUA SHA OIL

The Black Gold Collection
with Black Elderberry & Plum

FORTIFYING

FOR NORMAL/OILY + BLEMISH PRONE SKIN

The Argan Tree comes from The Tree of Life and its oil is known as, "Liquid Gold." Cold Pressed Gua Sha Oil will support healthy collagen production, UV protection, scar transformation, an even skin tone, and balanced skin. Blended with Camellia oil, Black Elderberry, and Plum Fruit for a beauty elixir that softens smoothes, and rejuvenates dry & breakout-prone skin.

Used in traditional Berber Folk medicine, it is now a respected and desirable ingredient that promotes your skin's fountain of youth. The women who work along the native coast to produce Argan Oil grind the fruit and crack the hard nut by hand with the use of rocks as tools to protect the "liquid gold" inside the shells.

Cold pressed Argan Oil is rich in multiple omega fatty acids to provide soothing relief and deep conditioning for damaged skin.

By balancing your skin's pH, it has supportive properties that help protect against UV rays and sun damage
